

DIGITAL CONTENT MARKETEER

ABOUT SKEYDRONE

At SkeyDrone, a technology start-up and joint venture of the Belgian Air Traffic Control agency skeyes and Brussels Airport Company, we believe in the gigantic potential of unmanned aircraft (drones) to positively change the way we live and work.

We have the ambition to co-shape the future of society by automating the skies for unmanned aviation. That is why we go to work each and every day!

Building great solutions to enable safe drone flights with a multi-skilled team of digital enthusiasts is how we try to achieve our dream.

ABOUT THIS JOB

We are looking for an experienced Digital Content Marketeer to help us realizing our ambitions.

As Content Marketeer you will be responsible for developing and executing marketing strategies aiming at shaping our brand identity and online presence through the creation and dissemination of multimedia content online. This involves developing & executing content strategies, growing an online community, and tracking that community's growth.

WHAT DOES A DIGITAL CONTENT MARKETEER AT SKEYDRONE DO?

- You follow up on external media to stay up-to-date on the many developments in the emerging Belgian and European drone eco-system, in Belgium and abroad.
- You produce high-quality content, amongst others through interviewing external experts and colleagues (e.g., our product managers).
- You create and maintain an editorial calendar, delegate tasks, and ensure that deadlines are met.
- You are able to translate the complexities of external and internal developments (e.g., a new legislation, SkeyDrone's product/service offerings) into easy-to-read/understand stories.
- You publish and maintain digital content as written articles, whitepapers, blogs, audio/videocasts,... on our website and social media channels.
- You draft press releases whenever we have been able to realise newsworthy items.
- You maintain our relationships with external press agencies and the communication departments of external stakeholders.
- To spread our content, you have enough experience and knowledge to successfully reach the right audience via social media platforms.
- You convert content into measurable and actionable results (number of visitors, engagement > MQL, > SQL, ...).

- You manage our digital communications agency, which in turn helps us reach an even bigger audience.
- You maintain our corporate website.
- You help to grow SkeyDrone's thought leadership in the market.

YOUR PROFILE & SKILLS SET

- Digital enthusiast with a Bachelor's degree in marketing, communication sciences, journalism, or a relevant field.
- Proven work experience as a Digital Content Marketeer or Content Marketing Manager.
- Proficient in MS Office and WordPress, or other Content Management Software.
- Sound knowledge of web publishing.
- Ability to predict audience preferences with an editorial mindset.
- Hands-on experience with SEO and web traffic metrics.
- Expertise in social media platforms (LinkedIn, Facebook,...).
- Experience in setting up (product) marketing campaigns.
- Good project management skills and attention to detail.
- Excellent communication and writing skills in English, Dutch and French.
- Skills:
 - o Content Marketing
 - Copywriting
 - o Design
 - o Creativity
 - Search Engine Optimization (SEO)
 - Google Analytics
 - o Customer Engagement

OUR OFFERING

Joining our great team comes with many advantages, such as:

- A contract of indefinite term with attractive salary conditions & multiple extra-legal benefits (including a group insurance, hospitalisation insurance, meal and eco-vouchers).
- A dynamic & inspiring working environment.
- Opportunities to learn and grow.
- Possibilities to work remotely with flexible hours.

HOW TO APPLY

Candidates are invited to send their application (including as a minimum the following elements: full name, gender, date of birth, email address, mobile phone number and CV) to the following e-mail address: <u>hva@skeydrone.aero</u>.

Please note that by submitting your application, you accept SkeyDrone's privacy notice for applicants, which can be consulted <u>here</u>.
